

Tournament Management for League Manager Golf Genius

Creating Pairings by Division and Optionally by Flight

Your league must be set up with divisions and flights for this process to work. If a person is a member of more than one division or flight this special pairing procedure cannot be performed.

In Rounds Section

- Choose playing divisions
 - Unselect " All Golfers"
 - Select Blue Tee
 - Select Green Tee
- Create new pairings (repeat steps below for both Blue & Green divisions)
 - Step 1 - select "automatic pairings"
 - Step 2 - select "with or without flights"
- Select other pairing options as appropriate
- Follow the normal steps to complete the pairing process
